

CVBA Disaster Response Trailer Use Policy

Trailer Use Accessibility:

The trailer will be available for the use of Catawba Valley Baptist Association member churches that are in good standing. The Trailer will be available on a first-come, first-serve basis.

Insurance Coverage:

The association maintains insurance coverage for the trailer and the contents. The individual towing the trailer automatically assumes the trailer liability insurance coverage responsibility while the trailer is being transported and while connected to the towing vehicle. The church is responsible for general liability insurance coverage while the trailer and contents are being used by the church. A church Certificate of Insurance showing 1 million dollars of liability coverage will be required when checking out the trailer.

Essential Use Procedures:

- The trailer will be picked up and returned to the CVBA at the specified times.
- A person who will be attending the event where the trailer will be used must be present when picking up the trailer.
- The church using the trailer will be responsible for its return in proper order as they received it.
- Any volunteers using the equipment must be over the age of 18 or be an experienced operator working under the supervision of an experienced adult over the age of 18.
- Church project teams must designate a person responsible for the check-out and return of tools and equipment to the trailer on the jobsite.
- The trailer is to remain locked and in a secure area when not in use.
- Only non-ethanol gasoline is to be used in the operation of the equipment and gasoline containers and must be left empty when returned to the trailer when the job is complete.
