AN ENCOURAGING WORD FROM OUR AMS

Dear Catawba Valley Baptist Associational Churches,

As the year winds down and the air turns crisp, a sense of anticipation fills my heart. I love everything about this season and of course the expectation of **CHRIST**mas: the lights, the smells of pumpkin pie (my favorite) and getting together with family and friends. For many, this time of year evokes warm memories and cherished traditions. It's a season that brings people together, offering a chance for reflection, celebration, and joy. But for others, this season brings great sorrow, stress, and loneliness. Perhaps loved ones have passed, finances aren't adequate to celebrate the way we want to, or our thoughts are filled with painful memories or regret. Whether excited or overwhelmed, my prayer is that we take time to focus on Who Christmas is all about.

As a youngster, my favorite Christmas activity was the candlelight service. This was the only time I was allowed to light and hold a candle. You can imagine with three brothers, my parents didn't normally let us get near a flame much less have the chance to see what it could do to a pew or each other. But then into my pre-teen years, I came to understand the true meaning of this tradition. This light actually represented the Light of Christ. And as a born-again follower of Jesus, I possessed His light. Then as I passed my candle's light to my brothers sitting in the pew next to me, I realized it was my responsibility to share Jesus' light to everyone that God put in my path. What a revelation. What a responsibility. What an honor. These experiences have a way of touching our hearts and lives which cause a lifetime of impact. Even now the Lord reminds me not to get consumed with thoughts of the past or preparations for the future, but to share the light of Jesus in every opportunity. Isn't this what Christmas is all about?

It is my hope that God blesses you and your family during this Christmas season as you share His love, joy and peace. And as 2025 comes to a close, I also want to thank you for your continued support and prayers as we join together to reach up, reach in, and reach out, all for the advancement of His Kingdom and for His glory.

"Then Jesus again spoke to them, saying, **"I am the Light of the world; the one who follows Me will not walk in the darkness, but will have the Light of life."**

John 8:12 NASB

Together in Christ,
Chuck

CVBA Financial Snapshot

October 2025

1

Flashing Green

- We are safe to operate "on our budgeted path" but we don't have the right-of-way to take any unplanned financial "detours."
- Cash flow was negative for the month, and slightly negative for the year. This "dip" is normal for this time of year; giving by churches should lift us back "in the black" by year's end.
- We still need to be careful with spending, but should hold steady for the rest of the year if giving and spending remain normal.

To return to Solid Green:

- Sufficient amount in checking account to keep operating balance from dipping into the negative at any point during that month.
- 35K "Reserves" in Savings Account
- Net Assets of 35K
