AN ENCOURAGING WORD FROM OUR AMS

NEW HISPANIC MINISTRY INITIATIVE BRINGS EXCITING OPPORTUNITIES FOR GOSPEL IMPACT

We are excited about our new associational ministry focused on reaching and serving the growing Hispanic population throughout our communities. As the Hispanic population continues to increase rapidly across our area, we recognize both the tremendous opportunity and the urgent responsibility God has given us to share the Gospel and make disciples among our Hispanic neighbors.

This ministry has been established as one of our association's key ethnic priorities and is dedicated to equipping, encouraging, and partnering with Hispanic Pastors and congregations as they actively participate in fulfilling the Great Commission.

Leading this effort is **Lester Urbina**, who serves as our Hispanic Catalyst. Lester is working diligently to strengthen Hispanic ministry by:

- Mobilizing Hispanic churches to engage in church planting and missions
- Developing and mentoring bilingual pastors, ministry leaders, and missionaries
- Strengthening evangelism and discipleship efforts within Hispanic communities
- Building meaningful partnerships between Hispanic and non-Hispanic churches
- Identifying communities where new church plants are needed
- Encouraging and supporting involvement in international missions

We believe this ministry will not only strengthen Hispanic churches and leaders but also foster greater unity and cooperation among churches across our association as we work together to reach people for Christ.

As this ministry continues to grow, we invite our associational churches to prayerfully consider partnering in this important work. You can help by:

- Praying for wisdom, open doors, and a spiritual harvest throughout our communities
- Providing financial support to help establish and sustain ministry efforts
- Encouraging leaders and volunteers who may be called to serve
- Considering a special love offering to help cover ongoing ministry expenses
- Invite Pastor Lester to come and share a few minutes about the ministry

Together, we can seize this opportunity to share the hope of Christ, strengthen churches, and expand God's Kingdom among the Hispanic population in our region and beyond.

In Christ,
Chuck
